Reference 1. BOTOX® Summary of Product Characteristics.

Adverse events should be reported. Reporting forms and information can be found at <https://yellowcard.mhra.gov.uk> or via the MHRA Yellow Card app, available in the Google Play or Apple App Stores. Adverse events should also be reported to Abbvie on GBPv@abbvie.com.

BOTOX® is indicated for the management of bladder dysfunction in adult patients who are not adequately managed with anticholinergics: overactive bladder with symptoms of urinary incontinence, urgency and frequency; neurogenic detrusor overactivity with urinary incontinence due to subcervical spinal cord injury (traumatic or non-traumatic), or multiple sclerosis.
